EDUCATION

Chandigarh University, Punjab

2023-2027

Bachelor of Engineering (B.E.)

CGPA: 7.67

Seven hills, Etawah

2022-2023

12th

Marks: 85.8%

Seven hills, Etawah

2018-2019

10th

Marks: 85.0%

TECHNICAL SKILLS

Programming Languages: C/C++, JavaScript, Software testing

Web & user interfaces: HTML, CSS, Tailwind CSS, JavaScript, React.js, Node.js, web applications

Core CS: Data Structure and Algorithm, OOPS, DBMS, Computer Network, Operating system

Databases: SQL, MongoDB

Tools: Git/GitHub, API Integration, Figma (Product Design)

Key Strengths: Product Thinking, User-Centric Design, Analytical Problem Solving, Business Analysis

Product & Analytical Skills: Debugging, Communication, Teamwork, Frontend

PROJECTS

Music Synchronizer Web

Developed an interactive web application that synchronizes music playback with dynamic user inputs. Integrated APIs to enhance user engagement and ensured seamless performance across devices using modern frontend technologies.

10xRadar Educational Platform

Designed and implemented an educational platform focused on experiential learning through real-world projects. Collaborated in a cross-functional team to build responsive interfaces, integrate APIs, and iteratively improve usability based on user feedback and analytics. user feedback analysis to enhance usability and engagement.

Weather App

Engineered a real-time weather forecasting app by integrating external APIs, delivering accurate data with a smooth UI. Led the entire product lifecycle from requirement gathering to deployment, ensuring reliability and responsiveness.

ACHIEVEMENTS

- Successfully completed a frontend internship where I built and optimized responsive web applications using React, improving user experience and interface performance.
- Selected as a member of the top 4 performing teams in the Algoarena DSA competition, demonstrating strong problem-solving and collaborative skills.
- Successfully deployed 10+ projects on Vercel.

CERTIFICATIONS

- Infosys Database and SQL
- Meta Front-End Developer Professional Certificate.
- Team Skills Certificate
- Design Thinking and Creativity for Innovation Certificate
